### Flightless Draught

8 11 13

Embrace the essence of Bavaria with our Bavarian Helles, a golden-hued lager that captures the very spirit of German brewing tradition. Pouring a radiant, sun-kissed gold, this lager invites you into a world where simplicity meets sophistication. (4.8% ABV)

### Big Roo Pale Ale

8 11 13

This modern Australian Pale Ale is made from the best Australian ingredients. It is very light and refreshingly citric on the palate due to being dry-hopped with Victorian Galaxy hop at the end of fermentation. (4.8% ABV)

### Swamp Rat Dark Lager

8 11 13

This Dunkel Munich is a dark German lager and pleases with a roasted note. The large amount of authentic Munich malt lends itself to a full-bodied beer without being heavy. Moderate bitterness finishes this beer nicely. (4.8% ABV)

### Howling Beast Märzen

9 12 14

This Amber Lager comes with a higher alcohol content true to the Märzen style. It has a unique sweet caramel flavour combined with a bready aroma from its specific malt bill, which makes it highly drinkable. Now you can have your own Oktoberfest every day. (5.8% ABV)

### No Dodo Mid-Strength

8 11 13

This mid-strength rye lager, at only 3.5% Alc/Vol, does not compromise on flavour. Carefully selected rye and barley deliver a caramel sweetness, while the noble hops round it up perfectly.

### Colossus Stout

9 12 14

Rich, smooth and deeply satisfying, this classic stout pours a midnight black with a creamy, tan head. Expect bold aromas of roasted coffee beans and dark cocoa, balanced by a subtle hint of caramel sweetness and a clean, velvety finish. (4.5% ABV)
